

Sunset at the Summit

The summit of Olympos Teleferik hosts one of nature's most enchanting moments at sunset. As the sun slowly disappears behind the Taurus Mountains, the sky transforms into shades of gold and crimson, blending with the Mediterranean view and surrounding landscapes to create a breathtaking scene.

The Shakespeare Restaurant, located at the summit, pairs this stunning view with a romantic atmosphere. While live music accompanies the sunset, you can savor the carefully prepared delicacies of our chefs and share unforgettable moments with your loved ones.

At the summit of Mount Tahtali, you'll witness that magical encounter where day turns into night.

Born from a Legend

According to legend, Bellerophontes soared through the sky on Pegasus and challenged the Chimera, defeating it in this very region. This victory symbolizes the union of courage, intelligence, and the power of nature. It has endured to this day as a powerful symbol that reinforces the mythological identity of the area.

When you ascend Mount Tahtalı today, you don't just witness a stunning landscape—you step into a history shaped by the traces of legendary heroes. With each step, you'll feel the magic of mythology and explore the unique land where Bellerophontes' heroic tale once unfolded.
