

BRAIN ACTIVATION PROGRAM

Cognitive Enhancement & Mental Clarity

The Brain Activation Program is designed to improve mental clarity, memory, focus, and overall cognitive performance. Combining advanced diagnostics, oxygen therapies, neuro-muscular stimulation, stress-relief practices, and nutritional support, this program enhances brain vitality and productivity.

Ideal for guests seeking:

- Better concentration and memory
- Relief from stress and fatigue
- Increased energy and motivation
- Improved emotional balance
- Long-term brain health support

Program Highlights:

- Medical Diagnostics & Consultations – body diagnostics, full health check, and individual recommendations
- Oxygenation & Neurotherapy – hyperbaric capsule, oxygen therapy, PelviPower stimulation
- Stress Relief & Gentle Activities – breathing practices, yoga, and mindful movement
- Nutritional Support – brain-focused dietary plan and vitamin infusions
- Recovery & Relaxation – therapeutic baths, thalassowraps, anti-stress SPA rituals

Results You Can Expect:

- ✓ Sharper focus and memory
- ✓ Reduced stress and anxiety
- ✓ Higher energy levels
- ✓ Improved emotional stability
- ✓ Stronger brain health and resilience
